

# Rewarding you

Doylo Rewards is a tiered members rewards program. Members are recognised and rewarded when they use their membership card at The Doylo & Summerland Sporties. It's one of our ways of saying THANK YOU for your valued membership.

There are five different levels, or tiers, in the Doylo Rewards Program. The levels are based on the reward points a member has earned. The five levels are Silver, Gold, Diamond, Platinum & Crystal. Members can view their tier level, rewards earned & benefits at the reward kiosks.

All members are eligible to participate in the Doylo Rewards Program. The different types of rewards and benefits, such as points, vouchers, prizes, and access to the Oasis Lounge, are provided in the different tiers of the program. Don't forget to present and use your membership card when purchasing goods & services and using club facilities to record your points.

If you wish to be excluded from the rewards program, let a team member know and they will ensure that you remain in the Silver tier.
